Hello, my name is Ciara Delahunty. I am 26 years old from Columbia Station, Ohio. My Irish heritage is from Dublin, Ireland where all my grandparents were born. My mother was also born in Dublin and moved to the United States in her early twenties. I graduated from Hiram College with a Bachelor of Science in Nursing and a minor in Bio-Medical Humanities in 2015. I graduated from Kent State University with a Master's of Science focusing in Nursing Education in 2018. I have worked for two years as an Emergency Room nurse at University Hospitals in Westlake, Ohio. Currently, I am a travel Nurse and have worked in Pennsylvania and Arizona. In my spare time, I enjoy traveling and have had the opportunity to visit many cities throughout the world. I hold dual citizenship and go back to Ireland every six months, making it my second home.
